

The background is an abstract composition of thick, expressive brushstrokes. On the left, there are vertical strokes of teal and light blue. In the center and right, there are large, sweeping strokes of pink and light orange. At the bottom, there are more vibrant, darker pink and red strokes. The overall effect is one of soft, painterly texture.

We have this
hope as an
anchor for
the soul, firm
and secure.

HEBREWS 6:19
